

Responses and a Collect for the Anglican Communion Day of Prayer

Minister: From the rising of the sun to its setting

People: **the name of the Lord is proclaimed in all the world.**

Minister: Be still, and know that I am God

People: **who will be exalted among the nations!**

Minister: I will give thanks to you, O Lord, among the peoples;

People: **I will sing praises to you among the nations.**

Minister: We do not proclaim ourselves,

People: **we proclaim Jesus Christ as Lord**

Minister: The Lord has sent me to bring good news to the oppressed

People: **to bind up the broken hearted**

Minister: to proclaim liberty for the captives and release to the prisoners;

People: **to proclaim the year of the Lord's favour.**

Almighty God,
who called your church to witness
that you were in Christ reconciling the world to yourself.
Help us during the Anglican Communion Day of Prayer
to proclaim the good news of your love,
that we and all who hear it may be drawn closer to you,
and in drawing closer to you may respond faithfully
to your calling to be your Church throughout the world;
through Jesus Christ our Lord.
Amen.
